R2 Beam Wash

LEDMOV422

The R2 Beam Wash driven by 19 x 40W RGBWW LED Chips has an amazing, bright output. The full pixel control allows for endless creativity and great eye candy effects. With smooth 16bit dimming this fixture is also a great option for Theatrical applications. Dual RJ45 ports provides different connectivity options allowing for future proofing. The native warm white LED's provide a spectacular colour palette with amazing CCT's only achievable with this LED combination. High intensity beam mode and super wide wash make this a truly flexible beam/wash fixture
