

Pluto 8000 WBX

LEDMOV546

The Pluto 8000 WBX is a cutting-edge RGBL moving head wash that takes your lighting experience to the next level. With exceptional colour mixing capabilities, a CCT range from 1800k to 10,000k, and a wide zoom range of 3.5° to 60°, this fixture is extremely versatile. Take control of the 3 section LED mask, to achieve stunning dynamic effects effortlessly. This fixture also boasts the CCS (Colour Consistency System) allowing for colour matching to be done easily with other compatible fixtures in the Silver Star range. The PLUTO 8000 WBX is your ideal fixture for a wide range of applications, making it the ultimate tool for lighting professionals.
