

# LED PixPAR 3

## LEDPAR210

The LED PixPAR 3 is a small form RGBW fixture with a powerful 120W LED engine. With DMX controlled motorised zoom, the zoom range from 4.5° to 36° allows for punchy tight beams as well as a large flat wash. The fixture has an IP65 rating allowing for it to be placed in all different environments allowing for hassle free deployment. As well as it being silent due to its passive cooling capabilities, this fixture is extremely versatile and great for all applications.
